SPONSOR & EXHIBITOR OPPORTUNITIES PACKAGE

ICDAM 2025

25 Years On: Diet and Activity Methods *for All*

April 27 – 30, 2025

Toronto, Canada

DEAR COLLABORATORS AND INDUSTRY PARTNERS

It is our pleasure to invite you to support the International Conference on Diet and Activity Methods, which will be held in Toronto, Canada, from April 27 to 30, 2025. Our conference will provide you with a range of opportunities to showcase your products and interact with many researchers and clients on an international scale.

[ICDAM 2025](#) is seeking sponsors who share our vision: **the wide availability and use of robust methods for the assessment of diet and physical activity across contexts, settings and populations.**

Your sponsorship supports conference events as well as facilitating the attendance of scientists who otherwise may not be able to participate. As an ICDAM 2025 sponsor, you will benefit from visibility through the ICDAM 2025 website, a presence at the venue, opportunities to network with attendees from around the world, and networking through participation in social events. At each of the [past meetings](#), there have been more than 300 participants (sometimes over 500), representing over 30 countries. We are expecting 300+ delegates in attendance at the 2025 meeting.

We would like to take this opportunity to thank those of you who have sponsored or exhibited at the ICDAM Conferences in the past and look forward to continuing our relationship. We also welcome new organizations and are excited about creating a collaborative partnership with you. Full details on how to get involved can be found in this package.

Best wishes,

Sharon Kirkpatrick
ICDAM 2025 Chair
